January 1, 2024

Dear Team Managers & Program Administrators,

We are excited to announce the Clothes4Cash.net 2024 Clothing Drive Fundraising Campaign, crafted to support schools, churches, youth sports teams, and other organizations in funding their essential activities. These funds can be crucial for covering costs such as trips, transportation, housing, meals, uniforms, costumes, entry fees, awards, banquets, and snacks.

If your team, school, or youth program needs additional financial support, seize this opportunity to engage your community in a worthwhile cause. Encourage families to clean out their closets and donate old, used clothing. This stress-free fundraiser allows families to declutter while contributing to a meaningful cause. Everyone has items they no longer need; why not recycle and donate them to benefit your organization?

On average, a large trash bag can hold approximately 20-50 pieces of clothing. Our current campaign collects clothing, shoes, purses, backpacks, and linens (including towels, sheets, and blankets) by weight. All donated items should be in usable condition. The goal is to fill a truck with 500 to 1,000 bags. We understand that smaller groups might not be able to fill up a truck, we just want to encourage our participants to do what you can. By asking 10-20 people you know; parents co-workers, neighbors, friends, and family will help increase the number of donations and total weight.

This fundraiser offers significant earnings with minimal effort. There is nothing to buy or sell, making it a win-win for your organization. Contact us today to book your Clothes4Cash.net Clothing Drive Fundraising Campaign. We recommend scheduling the fundraiser around an upcoming event or in conjunction with a school or community activity. Encourage guests to bring bags of old clothes to donate in exchange for a discount on admission or offer extra credit to students who collect and donate bags of clothes.

We provide downloadable, customizable spirit-color flyers for your group or team members to distribute. Additionally, we offer FREE truck pick-up for 50 bags or more (200 bags if the pick-up location is 1.5 hours from Downtown LA). Alternatively, you can drop off bags at our warehouse facility in Los Alamitos. Once the bags are weighed, a check will be issued and mailed to your organization within 3-4 weeks.

For any additional questions, please do not hesitate to call or email us. Thank you in advance for your participation. We look forward to working with you soon.

Best regards,

Lorna Tate
